POSITIONING

The all-new range of hot work welding blankets from Firechief® Global are designed for easy specification, based on the application.

From light-duty blankets, ideal for protecting against sparks from welding, to our heavy-duty blankets, which are performance-rated up to 1000°C, we've designed a compact, easy-to-navigate range to cover all applications.

MEDIUM DUTY

HEAVY DUTY

LIGHT DUTY

FIRECHIEF® HOT WORKS WELDING BLANKET LIGHT DUTY

- Protects against light splashes in controlled environments
- Ideal for low-heat welding and small cutting tasks
- Performance rated to **550°C** (silicone coating rated to 300°C)
- Dual-sided silicone coated glass fibre material
- Silicone coating offers smoke and waterproofing properties and helps prevent skin irritation from glass fibre
- Hemmed with high-performance Kevlar thread
- Blankets contain eyelets

Size	Code	Model
1 x 1m	104-1120	FWBL101
1 x 2m	104-1121	FWBL102
2 x 2m	104-1122	FWBL202
2 x 3m	104-1123	FWBL203
1 x 25m Roll	104-1124	FWBLR25

Performance
rated to
550°C

MEDIUM DUTY

FIRECHIEF® HOT WORKS WELDING BLANKET MEDIUM DUTY

- Withstands moderate welding and variable heat levels
- Perfect for industrial brazing and welding applications
- Performance rated to **850°C**
- Dual-sided vermiculite coated glass fibre material
- Robust material with superior tensile strength
- Hemmed with high-performance Kevlar thread
- Blankets contain eyelets

Size	Code	Model
1 x 1m	104-1125	FWBM101
1 x 2m	104-1126	FWBM102
2 x 2m	104-1127	FWBM202
2 x 3m	104-1128	FWBM203
1 x 25m Roll	104-1129	FWBMR25

HEAVY DUTY

FIRECHIEF® HOT WORKS WELDING BLANKET HEAVY DUTY

- Maximum protection for high-heat welding environments
- Built for intense, heavy-duty welding and cutting
- Performance rated to **1000°C**
- Also able to withstand 1100°C for a short duration
- Advanced high silica technical textile material (Silica content ≥96%)
- Hemmed with high performance Kevlar thread
- Blankets contain eyelets
- Ideal for horizontal use, offers advanced slag and spatter protection

Size	Code	Model
1 x 1m	104-1130	FWBH101
1 x 2m	104-1131	FWBH102
2 x 2m	104-1132	FWBH202
2 x 3m	104-1133	FWBH203
1 x 25m Roll	104-1134	FWBHR25
